

To any family who yearns for a Catholic education for their children but cannot afford it, the answer is

# Catholic Education...*YES!*

**If you have ever wondered if a Catholic school education is right for your child...**

**If you have ever thought a Catholic education was out of reach...**

Now is the time to discover all that Catholic schools have to offer, and now is the time to see that a Catholic school education is possible for all who desire this opportunity for their children.

***Registration is going on now in Catholic schools across the Archdiocese.*** If you haven't toured St. Dominic School, please call us at 859-336-7165 to schedule a visit. For more information about all Archdiocese of Louisville schools, you can download a selection guide at [www.archlouschools.org](http://www.archlouschools.org).

***Are you a member of St. Dominic Church?***

For registered, active parishioners, paying the cost of your child's education is achieved through a **stewardship** program of tithing, volunteering and a per-child instructional fee.

***Are you a member of another parish? Non-Catholic?***

Non-parishioners pay tuition, and financial assistance is available to qualified applicants. The deadline for applying for financial assistance is **March 15**. Tuition assistance forms are available from the St. Dominic School office or online from the Catholic Education Foundation website: <http://ceflou.org/tuition.html>
