### Mission Statement of St. Dominic Church

*As members of St Dominic Church, we are called through our baptism to give witness to the presence of the Holy Trinity by accepting the Gospel message of Jesus Christ as part of our daily lives. Our mission is to proclaim the Gospel; to teach and share our faith; and to show the love of God to all through our daily lives.*

*January 19, 2014 ~ 2<sup>nd</sup> Sunday in Ordinary Time*

#### **THE CATHOLIC CHURCH—HERE COMES EVERYBODY**

This popular way of describing the universality of our Church is a theme of today's readings. The prophet Isaiah tells of God's servant who will be the "light of the nations." It will not be enough for this servant only to bring back the survivors of Israel's dispersion and captivity. God's salvation must reach to the ends of the earth.

Saint Paul writes to a local church of mainly Gentiles and presumably former sinners of all kinds in Corinth. He greets them and tells them that they are to take their place with "saints everywhere" in the name of Jesus Christ.

The Gospel reading from John tells of Jesus' commissioning by the Father in the Holy Spirit to bring salvation to all, to take away the sins of the world. This Chosen One has come to baptize the world in God's Spirit. Everybody.

As you hear these words, consider your own task to bring the good news of salvation to everyone you will meet in the coming days, weeks, years.

## TREASURES FROM OUR TRADITION

The symbols and actions of baptism evolved around the experience of adults dying to old patterns of life and rising from the waters of baptism as new creations. As for newborn babies, at first it was desired to wait until the following Easter, when they could be baptized, anointed with chrism, and given a taste of the Eucharist in association with adults. The Church was always willing to baptize adults in emergency situations outside the Easter timetable, and in time, since infancy itself was a life-threatening situation, the baptism of babies became commonplace. As with the “emergency” adult baptisms, it was required that parents bring the child, as soon as health was recovered, to the bishop for the full menu of sacraments.

The very real fear of death for infants thus created a situation in which the three sacraments drifted apart from each other, and away from their original, adult celebration at Easter. Today, at last, we know a great deal about how our practices evolved. This knowledge is reshaping how we celebrate Easter, how we receive adult faith, and how we structure the faith journey of children.

## FORGIVENESS

The only true forgiveness is that which is offered and extended even before the offender has apologized and sought it. ~Soren Kierkegaard

**Opportunities for Life:** A woman with four children called the Opportunities for Life hotline. Her youngest child is one-year old and she is pregnant. She told the volunteer that she could not go through another pregnancy with everyone talking about how “she was pregnant again.” The volunteer told her that she knew it was hard and that she was sure that she was a good mom. She encouraged her to make a decision that she could be glad about in ten years. The caller calmed down and asked about open adoption. The OFL volunteer gave her the number for Catholic Charities and encouraged her to call. She was thankful for the opportunity to talk to the volunteer and said she would call Catholic Charities for more information. THIS WEEKEND there will be a door collection to support the work of OFL, a 24/7 hotline for men & women facing an untimely pregnancy. Thank you for your generosity.

## ~Stewardship Reflection~

*"I will give you as a light to the nations that my salvation may reach to the ends of the earth."*

*Isaiah 49:6*

Each of us is a beacon of God’s love in this world. As such, we have an important and unique role in God’s plan for mankind. As disciples and stewards, we cannot be indifferent to the role God has for us. "A different world cannot be built by indifferent people." ~P. Marshall
